

Instruction for filling the ordering form

1. Introduction

Ordering process has never been easier! Coming across the technology and time limits dentists face, we have decided to use WeTransfer app, which simplifies and speeds up the proces of sharing files and necessary data for order placement.

2. Orderer data / Delivery data

Fill the blank spaces according to instructions. After confirmation of the product by ordering dentist, it will be sent to the given address. If the delivery address is different, please write the correct delivery address in the comments section.

Delivery data

Name	Surname	Company name
<input type="text" value="Name"/>	<input type="text" value="Surname"/>	<input type="text" value="Company name"/>
Delivery address	House No.	Premises No.
<input type="text" value="Delivery address"/>	<input type="text" value="House No."/>	<input type="text" value="Premises No."/>
Postal Code	City	
<input type="text" value="Postal Code"/>	<input type="text" value="City"/>	
E-mail	Phone	
<input type="text" value="E-mail"/>	<input type="text" value="Phone"/>	

3. Invoice information

If you want to get the invoice, please fill the forms below. The invoice will be made according to the informations given in the form.

Invoice data

Company name	NIP	
<input type="text" value="Company name"/>	<input type="text" value="NIP"/>	
Delivery address	House No.	Premises No.
<input type="text" value="Delivery address"/>	<input type="text" value="House No."/>	<input type="text" value="Premises No."/>
Postal Code	City	
<input type="text" value="Postal Code"/>	<input type="text" value="City"/>

4. Choose service

Tick the service you are interesting in. There is also multiple option available.

Choose the service:

- Planning
- 3D printing
- Complex service

5. Sending files via WeTransfer

Click the link in the form, which will transfer you directly to WeTransfer page or write the address <https://dentalprint3d.wetransfer.com>

Send files via WeTransfer or via courier:

Email: info@dentalprint3d.pl

<https://wetransfer.com>

Paste link from WeTransfer here

5.1 Main page of WeTransfer

After clicking on a link, the main WeTransfer page shall open. The background photo is illustrative and can change so please don't get suggested.

5.2 Generating links

Before sending files, press (dots icon), to generate unique link to your attachment.

+ Add your files

5.3 Changing settings

To generate link please check the „link” box in the form.

5.4 Going back to WeTransfer main page

Press any spot on the blank area and you will be transferred again to upload file panel.

5.5 Adding files

Press (plus icon) and add compressed folder with files. In the top part of the panel, name of the attached file will appear. Then click Transfer icon.

5.6 Link copying

After correct attachment upload and sending it a link shall appear. Copy it and paste it into our form.

You're done!

Copy your download link or [see what's inside](#)
